Key Features of AlgoFabric

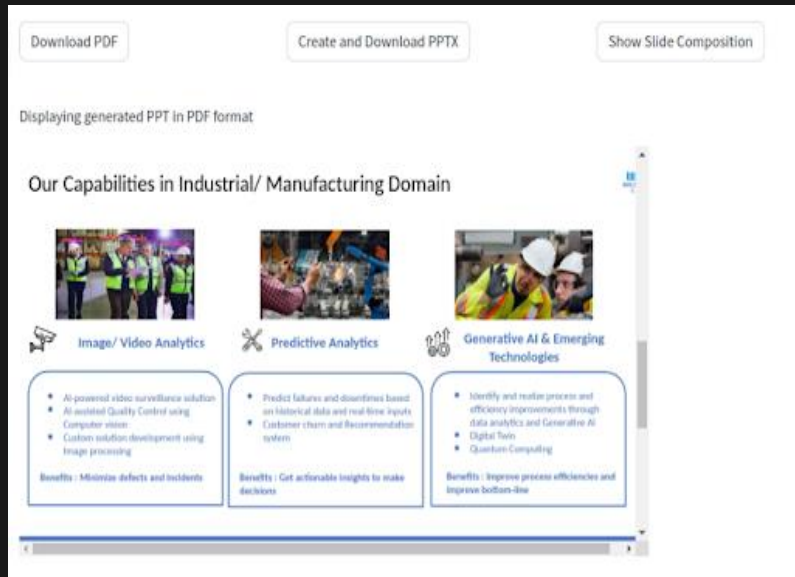

The screenshot displays the AlgoFabric dashboard with a navigation bar at the top containing links for Home, What's trending?, Investment Ideas, Dashboard (active), Semantic Search, and News Aggregator. A Logout button is located on the right. Below the navigation bar, a status bar indicates 'News Updated on 23-Oct-2024 12:59' and 'Stocks Updated on 23-Oct-2024 12:59'. A search bar with 'Search by Ticker' and a magnifying glass icon is on the left, followed by 'Filter By' and 'Sort By' dropdown menus. The main content area features five tables of stock data for various companies. Each table has columns for Stock Ticker, Total Alerts, Volume (Cr), Returns, News Volume, and Sentiments. The data is color-coded: green for positive values and red for negative values. A blue chat bubble icon is visible in the bottom right corner of the dashboard.
